We have received spectrum for 18 circles out of 22 circles. We are rolling out the

services from south India from this month and eventually cover all the circles. We are waiting for allotment of spectrum for Delhi. With reports of defence releasing some radio waves, we are hopeful to receive spectrum in the national capital.

**Rajesh Kalra**  
*Managing Director*  
*RMSI*

A work culture that encourages innovation, transparency in communication, trust

and a great sense of belonging within the organisation inculcated through fair and ethical work practices are the core ideals behind RMSI achieving this award (Best Workplace award) year after year.

The handsets (solar powered) would be imported from South Korea and will

be available in the Indian market from the middle of this month. The Solar Guru has been developed keeping in mind the needs of Indian consumers, especially customers residing in areas where the electric supply is unstable.
