

RMSI HR Head wins “Leading Woman in Human Resources” Award

New Delhi, December 15, 2010: RMSI Human Resources Head, Ms Gagan Jyot has won the “Leading Woman in Human Resources” award at the “2nd Annual Women Leaders in India Conference and Awards 2010” held at the capital recently. Organized by iGroup, these awards acknowledge women achievers across diverse fields and sectors including Insurance, IT, HRD, Engineering, Agriculture, Healthcare, Telecommunication, BPO, Defense and other Social & Political arena.

The award has been conferred to Ms Jyot in recognition of her contribution and achievements in the field of Human Resources to the industry. Under her leadership, RMSI achieved many laurels in leading employee satisfaction surveys across the country. Notable amongst these are the “Best Workplace” Award in India for three years in a row (2007,08,09) by the Great Places to Work Institute, US and the “Dataquest IDC India's Top 20 Best Indian IT Employers” in which RMSI has been featured continuously for seven years in a row.

Apart from these, RMSI has also been conferred the “CII Corporate Wellness Award” in recognition of its commitment towards health programs and wellness initiatives for its employees; “HR Excellence Award” constituted by Amity University (Noida, India) under the categories “Workplace Environment” and “HR Technology” and is also a recipient of the “Pride of the Industry Award” in 2009 for its employee friendly practices.

Speaking on her victory, Ms Jyot said, “I am extremely humbled and honored to have received this award. I would like to take this opportunity to thank the senior management at RMSI for reposing their faith in me. Together, we would continue working towards the wellbeing of our employees as we believe that they are the core strengths of our organization”

About RMSI - Maximizing business value

At the leading edge of geospatial and information technology, RMSI develops innovative solutions that integrate geographic information with niche business applications.
