RMSI wins 'Aon Best Employer India 2019' Award

New Delhi, August 16, 2019: RMSI, a global leader in geospatial and engineering solutions, has been recognized as the Best Employer by the prestigious 'Aon Best Employers India – 2019' study that covered more than 125 organizations across industries in India.

As one of the most respected employer awards globally, this recognition highlights RMSI's innovative employee practices and acknowledges it to be an organization with a culture of ownership and commitment.

Launched in 2001, the Aon Best Employers program is a global study that recognizes employer excellence worldwide. The survey follows a robust framework based on Intent-Design-Experience pillars, which includes employee experience scores, CEO intent and design of HR practices. The study followed a nine month long process, with shortlisted companies having in-person audits by Aon team and a final jury round where an eminent panel of industry stalwarts selected the winning workplaces – the very best in the country!

Speaking on the occasion, Anup Jindal, CEO, RMSI said "This award is a manifestation of our commitment towards instilling a core values driven culture and building an environment that encourages creativity, innovation and entrepreneurship. It is recognition of our belief that our employees are our greatest asset."

"We are delighted to welcome RMSI to this elite group of Best Employers India. RMSI is a very fast-growing value driven organization which fosters a high performing culture. These core values enable innovation and excellence by nurturing talent, building highly engaged teams, and creating exciting opportunities for people to grow. Keep up the good work and all the best!" said Dr. Ashish Ambasta, Director, Talent Advisory, Aon.

About RMSI - Maximizing Business Value

RMSI is a global leader in geospatial and engineering solutions. These solutions address global issues of climate change, natural calamities, human habitation, food security, autonomous transportation, smart utilities and networks.

RMSI is one of the largest geospatial employers with an employee base of over 3800 resources and is consistently ranked amongst the top companies to work for. RMSI has three states of the art development centers in India, and five fully owned international subsidiaries in US, Canada, Australia, UK, and Middle East.

RMSI has the highest levels of certifications and accreditations for its processes, information security and health and safety standards including CMMI Level 5, ISO 27001, ISO 14001:2015, ISO 9001:2015 and OHSAS 18001:2007.
